

### Warehousing & Storage

This Level 1 Certificate is suitable for those:

- Currently working in a warehouse and storage role
- Wishing to gain recognition of their competence
- Who want qualifications to help improve career development opportunities
- Who benefit from on the job experience

### Entry Requirements

Learners need to be working within a realistic warehousing environment and have achieved a minimum of level one literacy.

### Career Opportunities on Release

This qualification will support your job application for roles specific to the distribution & manufacturing sectors, e.g. Warehouse Operative/Assistant, Stores Assistant or Distribution Operative.

### Qualification Requirements

Level 1 will suit you if you are new to warehousing and storage and you want to get your skills recognised.

You will need to complete two mandatory units:

- Health and safety in the workplace

You then choose a minimum of 14 credits from a range of optional units that include:

- Maintain the cleanliness of equipment in logistics operations
- Keep stock at required levels in a logistics environment
- Wrap and pack goods in a logistics environment
- Use equipment to move goods in a logistics environment

There are optional units to suit your role. This qualification can be achieved within 12 weeks in your workplace.
